Dear Commissioner,
Please follow the
European Union's lead &
ban animal uses of
growth-promoting antibiotics
used in human medicine.
Peace, love & joy to all
Dorothy Smith & Smith

Why?

If cars kill more people than all the wars, why do we drive cars?

If beer, wine & liquor kill more people than all the wars why do we drink?

If smoking kills people, why do we smoke?

If peace is about not killing or hurting anything why do we eat meat, fish or poultry?

Isn't that what peace is all about -- not supporting that which hurts anything?
