Rockville, MD.

Dear Sir or Madam:

This is just a short note to request that you pass a law requiring food manufacturers to list the amount of trans-fat there is in each packaged food item just as saturated fat grams are currently listed.

This is in regards to Docket No. 94P-0036.

Thank you very much for your support in informing consumers of this ingredient in our food.

Sincerely yours,

Richard + Diane Kaminski

94P-0036
