10/5/99

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Vitamin B6-Niacinamide complex contains coenzymes essential to cell respiration, carbohydrate, and protein metabolism, and lipid synthesis throughout the body.*
- (2) B6-Niacinamide helps the cardiovascular, digestive, endocrine, circulatory, and central nervous systems at the cellular level.*

These statements are made for a dietary supplement containing a proprietary blend of nutritional yeast, bovine liver, mushroom, and ascorbic acid. Other ingredients include honey, pyridoxine hydrochloride, niacinamide, calcium stearate, and arabic gum. And the name of the product is B6-Niacinamide.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
