Re: Docket # 94P-0036

Dear Sirs,

January 14, 2000

I am very concerned about trans-fats in my food. I urge you to require the trans-fat content of foods be listed on the label.

I have been reading reports on trans-fats for several years.

They seem to be more damaging to health than saturated fats.

Thank you for your assistance in identifying these substances.

Yours truly,

Marshall Smith
