

Attention FDA

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*It's all political and audiologists see the \$\$\$
They are missing out on !!, FDA BACK out of
this issue!*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*FDA should not be able to dictate & take away a
persons right to choose in their care*

4. Should I be allowed to purchase hearing aids by mail as I choose?

Absolutely
