

Attention FDA

5646 '00 MAR 22 10:34

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

No
No I should not be forced to have a medical exam.
FDA should not be able to control
our judgement.

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

I have had bad experience thru the
Hearing Specialist.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

No
I do not want the FDA to control my
Constitutional Right

4. Should I be allowed to purchase hearing aids by mail as I choose?

Yes
I have had good experience with my
Purchases thru the mail
