

Attention FDA

5661 '00 MAR 22 AIO:35

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

yes. FDA should ~~if forced~~
~~Exam~~. Pay for the the exam.

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

I can still go but this being forced to have an Exam for some would be a hard ship.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

To many Rights have ~~disappeared~~ ^{disappear}
we Do not need more. I should Decide for my self.

4. Should I be allowed to purchase hearing aids by mail as I choose?

Yes, I should. I have for years and I have good luck much more of a ~~saving~~ ^{saving} two.
