On January 11, 2000, the above-listed attendees met to discuss the agency's final rule for the labeling of over-the-counter (OTC) drug products (64 FR 13254, Mar. 17, 1999), and the citizen petitions submitted by The Cosmetic, Toiletry, and Fragrance Association and the Consumer Healthcare Products Association regarding implementation of the rule. Issues discussed included the labeling of small package products and cosmetic-drug products, type size issues, and the time period for implementing the final rule.

William K. Hubbard
