Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Cataplex A contains all the concentrates of the vitamin A complex, well beyond beta-carotene.*
- (2) A well-known antioxidant that controls free radical damage, Cataplex A is essential for maintaining the integrity of epithelial membranes.*
- (3) Cataplex A is also important to support optimal bone health.*

These statements are made for a dietary supplement containing a proprietary blend of carrot (root), calcium lactate, defatted wheat (germ), bovine kidney, oat flour, nutritional yeast, rice (bran) extract, magnesium citrate, alfalfa flour, mixed tocopherols, ascorbic acid, carrot oil, and soy bean lecithin. Other ingredients include honey, arabic gum, calcium stearate, vitamin A palmitate, and gelatin. And the name of the product is Cataplex® A.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
