Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statement:

- (1) Multizyme is a digestive support product that contains digestive enzymes and pancreatin necessary for the proper breakdown and absorption of proteins, carbohydrates, sugars, and fats.*

This statement is made for a dietary supplement containing a proprietary blend of fig (fruit), defatted almonds, pancreatin (3X), fatty acids, bromelain, lipase, cellulose, papain, and amylase. Other ingredients include gelatin, lactose, water, natural colors, and calcium stearate. And the name of the product is Multizyme™.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann M. Holden
