Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Protefood is a multiple amino acid nutritional supplement that completes dietary amino acid patterns supporting protein metabolism.
- (2) Protefood is unique in that it also contains the dynamic enzymes that spark amino acid utilization.

These statements are made for a dietary supplement containing a proprietary blend of defatted wheat (germ), bovine adrenal, choline bitartrate, carrot (root), ribonucleic acid, *dl* - methionine, *l*-lysine mono-hydrochloride, glutamic acid, and peanut (bran). Other ingredients include bovine bone, gelatin, veal bone, water, calcium stearate, natural colors, and ascorbic acid. And the name of the product is Protefood®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden  
Standard Process Inc.
