October 24, 2000

Dear Mr. Kessler:

This letter is in response to the Abortion Drug that has just been put on the market. I just want to say that it is very wrong. I am very strong Christian and I just want to say that this is against the Word of God. Man that promotes things like this will have to give account for this one day. What man calls abortion God calls murder... In th Bible, Exodus 20:13 it says Thou shall not kill. That is just what this pill does. It takes a life. This should not be. This just promotes girls to get pregnant out of wedlock. We need to preach abstinence, before marriage.

I am praying that something will be done about this.

Sincerely In Christ,

Rose Holt

Please establish a %DV for added sugars. 10/2/00

Also disclose the added sugars on nutrition labels so we can limit our sugar intake on the dietary guidelines.

It's too difficult now to cut back on our high sugar consumption when we don't even know what's in what we're eating.

As you know, soaring sugar consumption causes Americans' high rates of obesity & we get less essential nutrients into our bodies.

Respectfully yours,

TIM SAEMANN
