RE: FDA Pilot Project for Electronic Filing of Drug Registration and Listing Information

Dear Mr. Hunter:

Per our telephone conversation today, I have provided additional information for the purpose of volunteering in the above mentioned Pilot Project.

I am responsible for all Drug Listing and Establishment Registration activities for Aventis Pharmaceuticals Inc. I have enclosed a copy of the FY 2001 Invoice for Product and Establishment fees as a reference point. Aventis has approximately 120 NDAs for marketed products for human and biologic. I currently have approximately 400 drug listings for manufacture and distribution for prescription and pharmaceutical ingredients.

If additional information is required or if you have any questions, please call me at (816) 966-5920.

Sincerely,
Aventis Pharmaceuticals Inc.
