Dear Sirs:

I am writing to respectfully demand that you approve docket #98P-0151/CP1 and prohibit the slaughter of downed animals. It is absolutely essential that this barbarous and health threatening practice be outlawed in this country. This is especially important in this time when we are hearing so much terrible news concerning the outbreaks of Mad Cow and other awful animal born deseases. Your speedy attention to this matter would be most gratfully appreciated.
Thank you.

Sincerely yours:

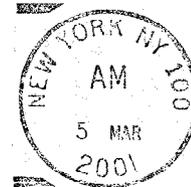

James P. Loughlin.
