

National Audubon Society

Please grant petition 98P-0151 to prohibit the slaughter of downed animals. Animals who are too sick to stand pose a health threat & it is impossible to move downed animals humanely (they are typically pushed w/ tractor or dragged w/ chains!).

Downed animals comprise 20% of animals slaughtered & prohibiting the slaughter of downed animals will cause no economic hardship.

California sea otter in Monterey Bay
A California sea otter is one of the thousands of fascinating species of wildlife you'll find in Monterey Bay.
To find out how you can help save America's wildlife by becoming a member, call the National Audubon Society at 1-800-274-4201.

Thank you,
