To Whom It May Concern: 0357 01 MAR 14 P2 59

I urge you to please grant the petition 98P-0151/CP1.

I am very concern of the health issues of the way our beef is being handled. Downed animals should not be used for consumption. Not to mention the cruelty to the animals.

We have to find a better way of taking care of our food . And taking care of our animals.

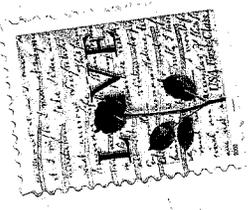

Very truly yours,
Margaret Lamanna
