Rockville, MD 20857

Re: Animal Testing

Dear Mr. Friedman,

As a concerned citizen, U.S. taxpayer, and member of In Defense For Animals (IDA), I urge the FDA to stop requiring cruel and obsolete animal tests for pharmaceuticals, and instead allow the companies to substitute *in vitro* tests for the safety of both humans and animals. Please give this matter the immediate attention that it so deserves.

On behalf of the animals,

Glenn J. Sorino
