**Subject:** RE: public meeting on bar code labeling requirements

Ms. French,

I am a staff writer with the Association for the Advancement of Medical Instrumentation (AAMI) and would like to register to attend the July 26 public meeting on bar code label requirements for human drug products.

(<http://www.fda.gov/OHRMS/DOCKETS/98fr/062602c.htm>)

I am seeking general registration, not presenter registration, in order to cover this meeting for AAMI's newsletter (AAMI News) and web site (AAMI.org).

Please advise as to whether this is possible and what other information you might need in order for me to register to attend.

Thank you,

Joe Haas  
Staff Writer
