Re: Docket Nos. 93P-0295/CP1 and 95P-0153/CP1

Dear Ms. Hetrick:

This letter is to confirm our telephone conversation on June 14, 2004. You said that 3M Pharmaceuticals Division agrees to withdraw the two above-referenced citizen petitions - the former on the regulation of metered dose inhalers, actuators and spacers, and the latter one on approval requirements for generic albuterol metered dose inhalers. As we agreed, a copy of this letter has been filed in the above-referenced dockets with the instruction that this letter constitutes your formal withdrawal of these petitions. Thank you for your assistance in this matter.

Sincerely yours,

Mary Catchings
Regulatory Counsel
Division of Regulatory Policy I (HFD-7)
Center for Drug Evaluation and Research
