Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Thyroid Energy, a dietary supplement.

Statements being made in the labeling of Thyroid Energy:

NOW has combined Iodine (from Kelp) and Tyrosine, the two integral constituents of thyroid hormone, with the minerals Selenium, Zinc, and Copper, to assist in its production. In addition, NOW Thyroid Energy contains Guggul Extract, an Ayurvedic herb known for its ability to support a healthy metabolism.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
