Dear CFSAN:

Pursuant to Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act and Section of 101.93 of FDA's regulations, we hereby notify you that we are using the following statement(s):

(1) Name of Address of distributor:

Jarrow Formulas, 1824 South Robertson Blvd., Los Angeles, CA 90035

(2) Text of the statement(s):

Inositol is the common name of myoinositol, the only form of inositol utilized by the body as a nutrient. Inositol is involved in the glucuronic acid and pentose phosphate pathways that are responsible for products such as glucose, glucuronolactone and water.

A common biologically active form of inositol is phosphatidylinositol, a phosphatide found in cell membranes. Food sources of inositol are found in plants, as phytic acid, and meats.

(3) Name of the dietary ingredient(s) if not provided in the text of the statement:

Inositol

(4) Name of the dietary supplement(s)

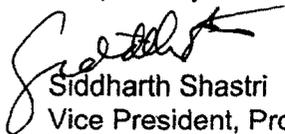

Inositol 750 mg • 100 capsules & 227 gm • 8 oz. powder

(5) The following disclaimer appears on the label in bold:

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

These claims are limited to, and a result of, what we believe to be a substantial body of scientific evidence supporting the functional role of these nutrients.

Respectfully submitted,

Siddharth Shastri
Vice President, Product Development
