Dear Sirs / Madam:

Notice is hereby given pursuant to Section 403 (r)(6)(21 U.S.C. 343(r)(6)) of the Federal Food Drug and Cosmetic Act that, Vitalstate, Inc. 1499 High Ridge Road, Boynton Beach, Florida 33426 has marketed a dietary supplement under the name Vitalstate Innovative Technologies / Russian Red / Hardcore Training Kits / Actijube bearing the following statement(s) on the label and/or in the labeling:

The Russian Red Hardcore Series Training Kits represent a major breakthrough in nutrient delivery. Harnessing advanced delivery technology, the Russian Red Hardcore Series Actijubes deliver potent ingredients in a precision ratio with greater absorbability and ease of use. No mixing, no mess, no pills or capsules – just a great tasting Actijube – open the package and chew. Each Kit contains Russian Red Pre-Workout Actijubes for the athlete with a hardcore focus on muscle, a precision ratio of 10 of the most powerful ingredients known engineered into a pre-workout kick in the ass. Our creation of this unique proprietary combination came with painstaking research and detailed discovery in the lab and in the gym. The perfect "training partner" for hardcore training. Each kit contains Post Workout Actijubes this proprietary combination was developed with detailed research and hands on training and use in the gym and in the "trenches". Grueling workout after grueling workout evaluating and recording specific recovery and growth data in efforts to formulate the perfect array of essential nutrients for support of hardcore training as a post workout compliment to the Russian Red Pre-Workout Actijube.

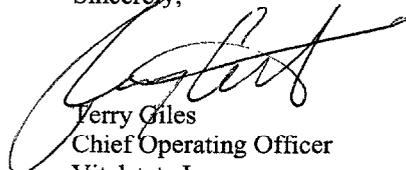

Advanced Delivery Technology / Enhances Your Training / Thermogenic Energy Activator / Supports Muscle Performance and Recovery

The **ActiJube** Advanced Pharmaceutical Delivery Technology is a patent-pending low-temperature formed matrix that "secures" the active ingredient or ingredients being delivered, thus protecting them and insuring their delivery in the system. The **ActiJube** is a chewable substance, having the texture and appearance resembling a gummy or jujube, is not manufactured like traditional confectionary forms. It is formulated in multiple premixes and combined under exacting staging specifications and timing to insure stability of the actives.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease. For Adult Use Only – Keep Out of reach of children. Do not exceed recommended daily dose.

The undersigned certifies that the information contained in this notice is complete and accurate and that Vitalstate, Inc. has substantiation that the statement(s) is truthful and is not misleading. Pursuant to 101.93 (a)(1), two copies of this notification are enclosed.

Sincerely,

Perry Giles
