Re: Statement of Nutritional Support Notification

Dear Sir or Madam:

In accordance with 21 U.S.C. § 343 (r) and 21 CFR § 101.93, Mannatech Incorporated, 600 S. Royal Lane, Ste 200, Coppel, TX 75019, hereby submits an original and two copies of it's notification within 30 days of first marketing its products with the statements presented below:

Supplement Brand Name: Ambrotose AO

Supplement Ingredients: See attached brochure.

Text of Statements of Nutritional Support:

1. Mtech AO™ Blend's ingredients – grape seed extract, green tea extract, quercetin, Australian bush plum and mixed tocopherols (Vitamin E) – work as one to create a powerful, synergistic antioxidant effect.
2. Triple power-paced Ambrotse AO™ supports your body's ability to:
  - Defend your health by supporting overall immune function through the natural glyconutrients in Ambrotose Phyto Blend, Mannatech's "sugar code of life." Glyconutrients enhance the cell-to-cell communication that lets cells send and receive messages clearly and effectively, a major step toward overall optimal health.
  - Protect against the daily onslaught of toxins, poor food, stress, and the environment, all of which contribute to the influx of free radicals that can accelerate the aging process.

- Restore cellular health and the overall immune balance your body may have lost due to the harmful effects of the foods we eat, the air we breath, the water we drink and the lives we live.
3. Glyconutrients support immune defense.
  4. Antioxidants support cellular protection.
  5. Restoration of cellular health.
  6. With its unrivaled capabilities to help support the immune system, offer protection against free radicals and restore damaged cells, new Ambrotose AO™ is already being acclaimed as “your body’s operating system.”
  7. Ambrotose AO™ the most complete immune support system and antioxidant support.
  8. Ambrotose AO™ offers a unique mix of water and fat-soluble antioxidants to protect the entire cell.
  9. Help protect against the cellular damage and premature aging caused by oxidative stress and free radicals.
  10. The unique, synergistic antioxidant blend in Ambrotose AO™ can support your immune system through natural glyconutrients, protect you against free radicals and their damaging effects and help restore free radical damage to your cells.
  11. Ambrotose AO™ can slow down the process that causes premature aging.
  12. MTech AO Blend in Ambrotose AO™ is designed to support your health in the face of daily assault by free radicals that can affect your body’s systems and organs.
  13. Ambrotose AO™ brings proprietary MTech AO Blend together with patent pending Ambrotose Phyto Blend to support your body’s natural ability to defend, protect and restore itself.
  14. Ambrotose AO™ is designed to help you stay healthy and counter the health-damaging effects of free-radicals.

Mannatech Incorporated certifies that it possesses adequate substantiation for these statements of nutritional support; that the substantiation renders them truthful and non-misleading and thus permissible under the Dietary Supplement Health and Education Act (DSHEA); and that the information contained in this notice is complete and accurate.

Yours truly,

Dennis R. Sparkman, Ph.D.  
Executive Director of Global Regulatory Affairs
