**MADE IN ITALY**

*The dark glass bottle is temper resistant for your protection, preserving this product from air, moisture and microbial contamination.  
Clear box prevents any further exposure to the light, fully ensuring its original stability and potency.  
All materials are completely recyclable.  
Keep in a dry cool place.*

Herbal Supplement  
**Siberian Ginseng**

Root

*Eleutherococcus senticosus*

**Whole Phytocomplex Concentrate**

Freeze-Dried Extract

Micronized Plant Powder

234 mg per capsule

Net Wt. 1.00 oz (28.3 g) 90 Capsules

Siberian Ginseng (*Eleutherococcus senticosus*), also named Eleuthero or Eleutherococcus, promotes physical and mental vitality.\*

This plant is carefully selected by Aboca adhering to the strictest protocols. Systematic quality controls implemented throughout the entire production process and analytical testing performed on raw material and finished product validate the safety and effectiveness of this herbal supplement.

Though eleutherosides B+E are considered among the main ingredients of Siberian Ginseng, many other plant components contribute to the herb's efficacy. That is why Aboca has developed the exclusive W.P.C.

W.P.C. (Whole Phytocomplex Concentrate) is a combination of the freeze-dried extract with micronized powder from the same portion of the plant, to assure maximum bioavailability, optimum concentration of active principle and the full-spectrum of constituents.

The result is a product with uniform content of eleutherosides B+E without the use of excipients, colorings, flavorings, or preservatives. GMO free.

\*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
