All materials are completely recyclable.  
Keep in a dry cool place.*

Herbal Supplement  
**Grape Seed**

Seed

*Vitis vinifera*

**Whole Phytocomplex Concentrate**  
Freeze-Dried Extract      Micronized Plant Powder

290 mg per capsule

Grape Seed (*Vitis vinifera*), known to prevent free radical damage, promotes circulatory health.\*

This plant is carefully selected by Aboca adhering to the strictest protocols. Systematic quality controls implemented throughout the entire production process and analytical testing performed on raw material and finished product validate the safety and effectiveness of this herbal supplement.

Though proanthocyanidins are considered among the main active ingredients of Grape Seed, many other plant components contribute to the herb's efficacy. That is why Aboca has developed the exclusive W.P.C. (Whole Phytocomplex Concentrate) is a combination of the freeze-dried extract with micronized powder from the same portion of the plant, to assure maximum bioavailability, optimum concentration of active principle and the full-spectrum of constituents.

The result is a product with uniform content of proanthocyanidins without the use of excipients, colorings, flavorings, or preservatives. GMO free.

\*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
