Dear Sirs / Madam:

Notice is hereby given pursuant to Section 403 (r)(6)(21 U.S.C. 343(r)(6)) of the Federal Food Drug and Cosmetic Act that, Vitalstate, Inc. 1499 High Ridge Road, Boynton Beach, Florida 33426 has marketed a dietary supplement under the name Vitalstate Innovative Technologies / Ripped Quick / Lean Physique Series / Actijube bearing the following statement(s) on the label and/or in the labeling:

From Lean to Extreme and Every Physique in between. Ripped Quick is the ultimate system. A total approach to fat loss for a lean hard physique complete with a comprehensive nutrition and training regime for serious results. Designed for men and women for targeted goals. Scientifically formulated fat loss catalyst in patent pending Actijube delivery form for improved functionality, efficacy and portability. In conjunction with proper diet and exercise the Ripped Quick AM Actijube was designed with painstaking research and discovery in the lab and in the gym. Providing the perfect array of specific essential nutrients to support metabolic rate and thermogenesis (the body's own natural fat burning process). Designed to be taken in the morning as a "kick start" to your fat burning motor. The Ripped Quick PM Actijube was designed to be taken in the mid-afternoon as the perfect array of specific essential nutrients to provide continued support to the metabolism and thermogenesis (the body's own natural fat burning process), furthering the effects of proper diet and exercise.

Advanced Delivery Technology / Thermogenic / Fat Loss Catalyst / Enhanced Energy

The ActiJube Advanced Pharmaceutical Delivery Technology is a patent-pending low-temperature formed matrix that "secures" the active ingredient or ingredients being delivered, thus protecting them and insuring their delivery in the system. The ActiJube is a chewable substance, having the texture and appearance resembling a gummy or jujube, is not manufactured like traditional confectionary forms. It is formulated in multiple premixes and combined under exacting staging specifications and timing to insure stability of the actives.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease. For Adult Use Only - Keep Out of reach of children. Do not exceed recommended daily dose.

The undersigned certifies that the information contained in this notice is complete and accurate and that Vitalstate, Inc. has substantiation that the statement(s) is truthful and is not misleading. Pursuant to 101.93 (a)(1), two copies of this notification are enclosed.

Sincerely,
