RE: Notification of Nutritional Support Statements

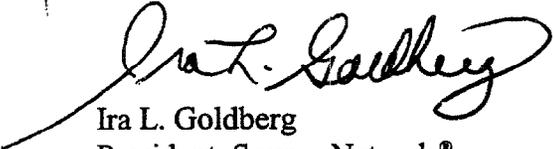

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of *Gymnema Sylvestre*, a dietary supplement. Source Naturals® is the manufacturer of *Gymnema Sylvestre*.

Statements being made in the labeling of *Gymnema Sylvestre*

- 1) *Gymnema Sylvestre* extract may help to maintain healthy blood sugar levels when used as part of your diet.
- 2) This herb has been used traditionally in India for centuries and has been shown in research to support healthy glucose metabolism by mediation of insulin release and activity and enhancement of healthy pancreatic function.
- 3) Source Naturals *Gymnema Sylvestre* extract is standardized to 25% *Gymnemic* acids, the same concentration used in clinical research.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.
