SANTICA USA, INC.
STATEMENTS OF NUTRITIONAL SUPPORT SUBMISSION

APRIL 13, 2004

1. PRODUCT: BEAUTY RECIPES ANTI-BLEMISH

- Supports the appearance of a healthy & smooth facial complexion
- Lactobacillus rhamnosus, Lactoferrin to help rebalance the intestinal bacteria. Lactoferrin is also very useful against bacteria which live in the intestine, and which have negative consequences for the skin.
- *Beauty Recipes Anti-Blemish* thanks to its specific formula helps produce the following results:
 - Smoother facial complexion, while minimizing blemishes
 - Proper balance of intestinal flora and skin sebum
 - Better control of whiteheads and blackheads
 - Visible improvement of enlarged pores

2. PRODUCT: BEAUTY RECIPES ANTI-CELLULITE

- Helps reduce cellulite and smooth the appearance of hips & thighs.
- Grape Seed Bioflavonoids, potent antioxidants, to protect blood micro vessels and connective tissue.
- Ginkgo biloba, to help improve micro arterial circulation.
- Gotu Kola, to help stimulate collagen synthesis and protect collagen microfibers.
- Butcher's broom and Yellow Sweetclover, to help reduce tissue fluid excess, support lymphatic flow and promote venous microcirculation.
- Bladderwrack and Polyunsaturated fatty acids, to naturally promote metabolism and favor lipid burning.
- *Beauty Recipes Anti-Cellulite* formula is a genuine breakthrough for reducing dimpled skin.

- Thanks to its specific combination of special extracts, it works from the inside at different levels on adipose and connective tissues, producing the following results:
 - Significant reduction of the appearance of cellulite
 - Reduction in circumferences of hips, abdomen, thighs, ankles for a better body “silhouette”
 - Natural drainage of the excess fluid in the concerned body areas
 - Improvement in microcirculation
 - Lighter feeling effect in case of heavy legs
 - Active protection against free radicals to help maintain a younger body

3. PRODUCT: BEAUTY RECIPES ANTI-WRINKLE

- Helps significantly reduce the appearance of wrinkles, fine lines and premature skin aging.
- Gotu Kola and Sacred Lotus extracts help increase tissue metabolism and the activity of the cells producing collagen and elastic fibers, promoting adequate levels of collagen and elastic structures involved in skin tissue formation.
- Tocotrienols, Tocopherols and Lipoic Acid for their anti-oxidizing action which are essential to fight the harmful effects of free radicals, which also manifest at the skin cell level.
- Hydrolyzed Fish Cartilage contributes to the general well-being of skin and plays a fundamental role in promoting skin tissue elasticity, tone and moisture, necessary to reduce fine lines and wrinkles.
- Thanks to its unique formula it can produce the following results, as demonstrated in clinical trials after 75 days:
 - Significant reduction of fine lines and wrinkles
 - Natural improvement of proper skin elasticity and structure

4. **PRODUCT: BEAUTY RECIPES COUPEROSE**

- Helps improve microcirculation of the skin and visibly reduce the appearance of “couperose”.
- Blueberry Bioflavonoids, help improve superficial skin micro-circulation. Furthermore, thanks to their anti-oxidizing action, they can protect the microvessels and thin skin from the harmful effects of free radicals.
- Ginkgo biloba, Horse Chestnut and Resveratrol work synergistically to complete the beneficial and rebalancing action on the microcirculatory skin network at all levels.
- *Beauty Recipes Couperose* thanks to its specific variety of special extracts, helps produce the following results:
 - Skin more resistant to irritating factors
 - Strong support of blood flow throughout the skin
 - Visible reduction of the appearance of couperose and its associated redness

5. **PRODUCT: BEAUTY RECIPES FACIAL FIRMING**

- Supports elasticity and density of facial skin for the appearance of a lifted and refined look.
- Hop extract, Soy and Red Clover Isoflavones play an important role in helping to maintain normal and healthy skin physiology during and after menopause.
- Grape Seed Bioflavonoids help improve skin micro-circulation, which is necessary to allow the skin to repair the elastic structures. Moreover, they can actively protect skin cells from the harmful effect of free radicals.
- Hydrolyzed Collagen and Fish Cartilage supply necessary nutritional and biological components to enhance elasticity, firmness and tone of skin tissue.
- *Beauty Recipes Facial Firming* contains natural ingredients that work at different dermal levels to promote healthy skin elasticity and density.
- Thanks to its this specific combination of special extracts, the product can produce the following results, as demonstrated in clinical trials after 75 days:
 - significant increase in skin tone, elasticity and density

- visible reduction of facial expression lines
- Firmer, younger looking skin
- Better toned and firmer skin feeling in the areas of arms, breast and buttocks was also observed

6. **PRODUCT: BEAUTY RECIPES FLAKY SCALP AND OILY HAIR**

- Helps to reduce flaky scalp and balance hair and scalp sebum.
- Grape Seed Bioflavonoids can perform a natural free-radical scavenging action and are naturally beneficial for good skin micro-circulation, which is fundamental for a healthy scalp.
- Saw palmetto extract, known for being able to help re-balance the natural production of sebum.
- *Beauty Recipes Flaky Scalp & Oily Hair* is a unique, innovative formula that nourishes hair and the scalp, improves micro-circulation, and provides antioxidant protection.
- In a clinical trial the following results were observed:
 - Reduction of flaky scalp up to 79% (average value)
 - Significant re-balancing of hair and scalp sebum

7. **PRODUCT: BEAUTY RECIPES FLAT TUMMY**

- Helps promote and maintain the appearance of a flatter tummy.
- Fermented Wheat Starch, helps control excessive fermentation and improve digestion.
- Probiotics, Lactoferrin, help normalize intestinal functions.
- Artichoke extract, supports the beneficial action of the liver.
- Bladderwrack, can naturally stimulate metabolism.
- Yellow sweetclover, known for its natural draining action.

- *Beauty Recipes Flat Tummy* is a sophisticated new formula that supports proper stomach, intestine, liver and draining systems functions.
- Thanks to its specific mix of special extracts the product can promote the following results, as demonstrated in a clinical trial:
 - Less sensitive stomach to bloating
 - Reduction of tummy circumference
 - Final healthy appearance of a flatter tummy and a better body “silhouette”

8. **PRODUCT: BEAUTY RECIPES LIGHTER LEGS**

- Promotes healthy circulation for lighter, slimmer feeling legs.
- Java Tea and Melilotus, known for promoting the drainage of excess fluid, especially localized in the legs.
- Ginkgo biloba helps naturally improves micro arterial circulation.
- Gotu Kola and Butcher’s Broom help support venous elasticity and tone.
- Grape Seed bioflavonoids help perform a very strong anti-oxidant action, protecting and reinforcing blood micro vessels.
- Thanks to its specific mix of special extracts *Beauty Recipes Lighter Legs* can produce the following results as demonstrated in clinical trials:
 - Healthier micro-circulation
 - Better blood vessel tone
 - More effective natural fluid drainage in the legs
 - After just a few days legs usually feel lighter, slimmer and less fatigued
