Re: Dietary Supplement Statement of Support Notification

To Whom It May Concern:

McLind Corporation, P.O. Box 3669 Torrance, CA 90510-3896, who is the distributor of the following dietary supplement product, intends to make the following statement(s) of support:

“Promotes Bone, Nerve and Overall Health*”

“Minerals play numerous important roles in supporting overall health. Our Cal-Mag-Zinc supports bone density and strength, and promotes nerve health. For maximum absorption of these minerals, the body requires hydrochloric acid. Because its levels decrease with age, Betaine HCl and Glutamic Acid HCl are included in our supplement to improve absorption of these important minerals.*”

These claims are being made for a product named Lindberg® Cal-Mag-Zinc with Vitamin D. This submission is being made in compliance with 21 CFR §101.93.

The undersigned is an authorized representative of the McLind Corporation and certifies that the information contained in this notice is complete and accurate, and that McLind Corporation has substantiation that the above statement(s) is (are) truthful and not misleading.
