Agricultural Statistics

An Annual Publication

Agricultural Statistics is published each year to meet the diverse need for a reliable reference book on agricultural production, supplies, consumption, facilities, costs, and returns.

These publications are available here in Adobe Acrobat PDF (Portable Document Format) files. When PDF files are downloaded to your computer and displayed using the free Acrobat Reader, the files will display as an on-screen publication. You will need the Acrobat Reader on your computer in order to read the files.

If you have not already downloaded the free Acrobat Reader, you should download it now from [Adobe](#).

The 1994 through the 2002 publications are also available on a CD-ROM. The CD-ROM version also includes enhanced searching capabilities that are not available on the Internet version. The CD-ROM may be obtained for \$28.00 from our order desk by calling 1-800-999-6779.
