Subject: Request of EXEMPTION of FDA "Prior Notice"  
on the Airline Beverages and Liquor for Airline Own Cabin use.

To whom this may concern;

The Prior Notice by FDA will be highly concerned to Airline in the daily operation due to focusing on Safely and Economically serving own Passengers.

The necessity of More Security by FDA will not be understandable easily as for the Imports; Japanese unique Foods & Liquors into the Bonded. The Bonded, from the Foreign Zone concept, must have been in the Restricted and tightly Secured. The Caterings must have also been inspected and controlled by FDA.

Wishing U.S. FDA to re-consider EXEMPTION of the Airline Own Imports ( Foods & Liquor ) from PRIOR NOTICE, and hoping All Foreign FDA will not follow this System in every Countries due to an unexpected & Big confusion being anticipated.

Thank you for your attention.

Sincerely,

Dick Y. Yamada  
Director
