Subject: Introduction / Safe Handling Instructions

Dear Mrs. Lewis!

Herewith I want to thank you in advance to have the chance to be in contact with and your organisation. We have received your name and address from Mr. Ken Klippen and Mr. Gene Gregory of the UEP (United Egg Producers), where we are proud members with.

Our company is a well established packaging producer of clear and see through eggpackaging since over 30 years. Right now we are fortunate to serve to partners in over 80 countries worldwide. Our unique packaging comes usually with a colorful label applied.

Actually one of our US-customers informed me, that is possible upon request to put the Safe Handling Instructions on the Inside of the Eggpackaging! For this reason I kindly request an allowance to receive the option to offer our US-customers both ways.

Especially on the Specialty Eggpackaging, where we need to put on a lot of information, we do have sometimes some problems to find enough space for the Safe Handling Instructions.

Our US-Partners are:

- Rose Acre Farms, IN
- Hamilton Farm Bureu, MI
- Pilgrims Pride, TX
- ISE Farms, NJ
- Hillandale Farms, FL
- Wilcox Farms, WA
