Jonathan,

Second try, as promised a few moments ago. Would you please confirm via e-mail your oral consent to the extension until October 3? Thanks so much.

Hi Jonathan.

I'm writing to ask Weider Nutrition International, Inc. for another extension, until 5 p.m. on October 3. As you know, the government was closed Thursday and Friday. (I don't have any power at home, so I came in the access my email and to send this off to you.) Please thank your client for its consideration.

Regards,

Hi Jonathan.

I called e this morning but got no answer and I'm off to a day that is largely filled with meetings. Hence this e-mail. I called to ask for an extension until September 22 on this one. CFSAN is grappling with the claim and the substance, as well as the science, and will not be able to get a response out by September 6, the current due date. If it does not issue a response by then, the petition will be denied as a matter of law. Far better to have a couple more weeks to deal w/ the issues, I think. I hope your clients will agree and agree to an extension until two weeks from Monday. Please let me know via email or fax (301.827.3054). Happy to discuss. Thanks.

Regards,

Mike
