Roger E. Salisbury, MD  
Professor of Surgery, Chief of Plastic Surgery  
New York Medical College  
Director of Burn Center at West  
Westchester Medical Center  
Macy Pavillion  
Valhalla, New York 10595

Dear Dr. Salisbury:

Your petition requesting the Food and Drug Administration to conduct a full risk assessment of the risks from Stevens Johnson Syndrome and Toxic Epidermal Necrolysis Associated with Ibuprofen products, was received by this office on 02/15/2005. It was assigned docket number 2005P-0072/CP1 and it was filed on 02/15/2005. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

Jennie C. Butler, Director  
Division of Dockets Management  
Office of Management Programs  
Office of Management

2005 P-0072
