Re: Canada's Original ICEBERG Water Corporation  
Revised Bottle Labels for Temporary Marketing Permit Application

Dear Ms. Carey:

I enclose with this letter copies of revised front and back labels for the 500 milliliter and 1 liter bottles of Canada's Original ICEBERG Water. The minor text revisions you requested have been made, as reflected on the enclosed copies. I am informed by Spectrol Inc., the company producing the bottle labels, that the copies we previously sent to you via e-mail suffered image distortion when they were converted into PDF format. Spectrol Inc. assures me that the enclosed copies are not distorted, and therefore, the font sizes on these labels are correct.

Please review the enclosed labels and call me if you have any questions. As soon as we receive your confirmation that the bottle labels are acceptable, the applicant will proceed to produce the carton labels for your review.

Sincerely,

RUTAN & TUCKER, LLP
