

# PhytoProlief

**A natural balancing cream enriched with botanicals, designed to help restore balance. Conveniently packaged in a metered pump to take the guesswork out of measuring. PhytoProlief is light and greaseless, free of colors and fragrance.**

**Recommended For:** Women

**Suggested Use:**

Women: Recommended use is 1/4 tsp.(1 pump) to 1/2 tsp. (2 pumps) per day. One pump should be applied in the evening. Two pumps should be divided, one in the morning, one in the evening. Apply PhytoProlief to the soft tissues, such as the chest, inner arms, neck, face, palms of the hands and soles of the feet. It is recommended to rotate applications to a different soft tissue with each usage.
