NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION
3-C-5289 (JMR/MTM)

Pfizer, Inc.)
)
 v.) ORDER
)
Apotex, Inc.)

The defendant comes before the Court seeking expedited relief from an injunction previously issued after trial in this matter. The injunction had enjoined defendant from manufacturing, using, offering to sell, or selling generic amlodipine besylate in the United States until September 25, 2007. The defendant moves the Court to lift its injunction pending issuance of a mandate by the Federal Circuit, which reversed this Court's judgment on March 22, 2007. No. 2006-1261 (Fed. Cir.). The plaintiff opposes the motion.

After an emergency telephonic hearing on March 28, 2007, the Court considers it appropriate to grant the requested relief. Therefore, pursuant to Rule 62(c) of the Federal Rules of Civil Procedure, and for the reasons stated at the hearing, IT IS ORDERED that:

1. Defendant's motion [Docket No. 170] is granted.
2. The Court's injunction, issued January 29, 2006, is lifted.
3. This order is stayed to and until April 3, 2007.
