

LIST OF CITATIONS

Appendices:

- Appendix 1: Corrections to Misstatements on Triclosan made during the 20 October NDAC Panel Meeting.
- Appendix 2: Review on Bacterial Resistance and Triclosan to 2002
- Appendix 3: Literature Review on Bacterial Resistance and Triclosan between 2002 and 2005.
- Appendix 4: Summaries of Studies and Papers
- Appendix 5: Estimated mass balance of triclosan for the USA

Attachments:

- Attachment 1: SCC Opinion
- Attachment 2: SCCNFP Opinion
- Attachment 3: Letter dated August 26, 2003 summarizing all documents submitted by Ciba Specialty Chemicals to OTC Docket 75N-183H in support of triclosan.
- Attachment 4: Summaries of Environmental Data Submitted for the ITC
- Attachment 5: Federal Register of December 1, 2000 (65 FR 75544)
