Re: VI-28 Dietary Supplement Serving Levels and
Conditions of Use

Our Ref: Vigconic=1

Dear Ms. Lutwak:

Pursuant to our conversation on 3 June 2004, please find attached information relating to the serving levels and conditions of use for VI-28.

A copy of the Supplement Facts chart was originally submitted with the Notification filed 20 May 2004 (attached herewith). Below is a summary of the Supplement Facts chart and conditions of use.

Supplement Facts

Radix Ginseng	75mg
Cornu Cervi Pantotrichum	75mg
Fructus Cnidii	60mg
Semen Cuscutae	60mg
Rhizoma Kaempferiae	30mg

Conditions of Use

First Month

1 time daily, 2 capsules each time;

Second and Third Month

1 time every 2 days, 2 capsules each time;

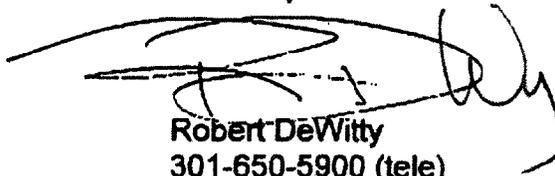

Fourth Month and as desired

2 times every week, 2 capsules each time.

This information can be found in the notification following page 14.

If there are any other issues, feel free to contact me via fax, phone, or email.

Sincerely,

Robert DeWitty
