Dear Sir or Madam:

Please find attached a New Dietary Ingredient Notification for α-cyclodextrin to be marketed under the trade name FBCx™. The attachments include:

- The notification
- Copies of two FAO/WHO documents pertaining to safety
- A copy of a correspondence confirming GRAS status of α-cyclodextrin
- Copies of eight (8) document pertaining to animal and human tissue culture studies

Please be advised that this product is in compliance with the labeling requirements as set forth in the federal registry.

We look forward to a positive response from your office.

Sincerely,

[Signature]

Joseph D. Artiss, Ph.D., FACB
