

10-1599

Our students graduate with a maturity and confidence that set them apart.

For information call 1-800-DIAL-GMC.

Please reduce egg borne diseases by prohibiting forced molting.

DOCKET # 97N-0074

Feed withdrawal from turkeys & chickens is not only cruel but also increases contamination with Salmonella as the birds are driven to pluck & eat their & cage mates feathers! Please stop this animal atrocity by banning forced starvation!
