RE: Notification of Nutritional Support Statements

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Vanadium With Chromium, a dietary supplement. Source Naturals® is the manufacturer of Vanadium With Chromium.

Statements being made in the labeling of Vanadium With Chromium

- 1) Vanadium is a biologically important metal that is essential for normal cell function and development.
- 2) Vanadium has been shown to maintain blood sugar levels in the normal range by its insulin-like effects in the liver, skeletal muscle and adipose (fat that surrounds our organs) tissue.
- 3) Chromium is a trace element that plays a significant role in helping to regulate the amount of glucose in the blood and maintain blood sugar and cholesterol levels that are in the normal range.
- 4) Source Naturals Vanadium With Chromium helps to promote healthy blood sugar levels when used as part of your diet.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.
