RE: Notification of Nutritional Support Statements

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Vegetarian Glucosamine, a dietary supplement. Source Naturals® is the manufacturer of Vegetarian Glucosamine.

Statements being made in the labeling of Vegetarian Glucosamine

- 1) Source Naturals Vegetarian Glucosamine is a new form of glucosamine derived from corn to support your healthy joints.
- 2) Glucosamine is an essential structural component of glycosaminoglycans, the building blocks that help lubricate joints, nourish cartilage and connective tissue, assist in wound healing and support the strong, healthy structure of your skin and joints.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.
