December 14, 2004

Dear Sir or Madam:

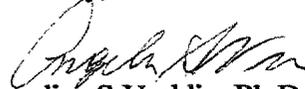

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Calso**rb**® supplements under the PhysioLogics brand name:

Ingredients: Calcium, Magnesium

- Nutritional Support for Bone Health.
- Calcium is the major mineral responsible for the health of the body's bones and teeth.
- Calcium intake is critical to achieving peak bone mass.
- Calcium also helps maintain muscle contractions, nerve impulses and heart health.
- This unique formula contains calcium citrate – one of the most bioavailable sources of calcium – with chelated magnesium to balance the intake of calcium.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Angelica S Vrablic, Ph.D.
Manager, Nutrition Research
