RE: Notification of Nutritional Support Statements

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Alka-Balance™, a dietary supplement. Source Naturals® is the manufacturer of Alka-Balance™.

Statements being made in the labeling of Alka-Balance™

- 1) Contemporary diets can be high in protein and fat which can cause the body to become slightly acidic.
- 2) Research has shown that a more alkaline state promotes general health and well being.
- 3) Source Naturals Alka-Balance™ is specifically designed to aid the body in maintaining alkalinity.
- 4) It contains coral calcium, alkaline mineral citrates as well as a proprietary blend of herbs and green food powders that are included to round out the overall health benefits of this product.
- 5) Research has shown that citrate has an alkalizing effect on the body.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.
