Re: Dietary Supplement Statement of Support Notification

To Whom It May Concern:

McLind Corporation, P.O. Box 3669 Torrance, CA 90510-3896, who is the distributor of the following dietary supplement product, intends to make the following statement(s) of support:

“Vitamin B Complex. Includes a full array of B vitamins. B vitamins are vital for energy production and heart health.\*”

“Calcium and Boron. You’ll receive calcium from three sources, including 500 mg of Calcium Citrate, along with the mineral boron, to support bone health.\*”

“Minerals. Provides 11 important minerals, including mineral amino acid chelates for improved absorption and to support rehydration, endurance, energy and muscle growth. Includes the same optimal intake level of selenium shown in the latest research.\*”

“Lutein. This natural, antioxidant carotenoid, found in high concentrations in the macula, supports eye health.\*”

“Lycopene. Known as the red carotenoid in tomato, it may support overall health.\*”

“Alpha Lipoic Acid. Provides antioxidant protection inside the cell and extends the life of vitamins C and E.\*”

“Grape Seed Extract. An excellent source of OPCs, antioxidants which benefit the cardiovascular system.\*”

“Bioflavonoids. From citrus, these compounds support vein and capillary health.\*”

“Chromium. We use a patented, niacin-bound form of chromium which supports healthy blood sugar levels already within the normal range.\*”

“Healthy Support for: Bones and Joints\* - Electrolyte Balance\* - Energy and Endurance\* - Heart and Circulation\* - Immune Function\* - Vision and Eye Health\* - Overall Health\*”
