Section 403(r) (6) Notification

Dear Sir or Madam:

In accordance with the requirement of section 403(r) (6) of the Federal Food, Drug and Cosmetic Act, **Leiner Health Products** notifies the FDA that it has begun using the following phrase and statement:

**CoQ10 for energy and cardiovascular support
Green Tea for extra energy
L-Arginine & L-Glutamine for cardio support**

A convenient daily nutritional system specifically formulated to provide you with extra energy and nutritional support for daily activities.

Green Tea helps to increase energy while protecting cells from free radical damage often produced during exercise.

L-Arginine & L-Glutamine are amino acids that help the arterial system retain it's elasticity, which may help support healthy blood flow.

Coenzyme Q10 converts carbohydrates, fats and protein into energy and is a key antioxidant that helps maintain a healthy cardiovascular system.

Vitamin A, Vitamin E and Lutein help support eye health. Give your eyes the nutrition they need to stay healthy.
