Re: Dietary Supplement Claims Notification

Dear Sir/Madam:

This letter is to notify the Food and Drug Administration (FDA) that the following product is distributed by Hallelujah Acres®, PO Box 2388, Shelby, NC 28151.

This notification is being provided pursuant to 21 U.S.C. 343(r)(6) and 21 CFR 101.93(a).

Product Name: B12, B6, Folic Acid

The following statements are or may be used on the labels and in the labeling of the product:

*"Contains Methylcobalamin, the preferred form of B12."*

*"Methylcobalamin is active in the body immediately upon absorption while the cyanocobalamin form must be converted to an active form prior to utilization."*

*"Numerous studies suggest that vitamin B12, vitamin B6 and folic acid play an important role in optimizing homocysteine levels in the body."*

I certify that the information in this notice is complete and accurate and that Hallelujah Acres® has substantiation that the statements are truthful and not misleading.

Sincerely,

Olin Idol, N.D., C.N.C.  
V/P Health, Hallelujah Acres®
