RE: Notification Required Under 21 C.F.R. 101.93

Dear Sir or Madam:

This letter serves as notification under 21 C.F.R. 101.93 that ZeaVision, LLC ("ZeaVision") is including a statement described in Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act on the label of its EyePromise Complete product.

The name and address of the manufacturer, packer and distributor of the product is as follows:

ZeaVision, LLC
424 S. Woods Mill Rd.
Suite 330
St. Louis, MO 63017

The text of the statement that is being made with respect to the product is as follows:

EyePromise Complete provides the maximum available dosage of dietary Zeaxanthin (20mg), and contains vitamins based on the AREDS formula, to support macular health. Zeaxanthin is concentrated 2:1 versus lutein in the center of a healthy macula, the area most important to central vision. Zeaxanthin has excellent photo-protective and antioxidant properties, yet is scarcer in most diets, than lutein.

*AREDS was a 10-year, independent study conducted by the National Eye Institute. The EyePromise Complete formulation eliminates beta carotene and copper, reduces the zinc level and adds 20 mg of dietary zeaxanthin.
