Statement of Nutritional Support for:

Pursuant to 21 CFR Part 101.93, Rejuvenation Science, a division of Discount Herbs & Vitamins, Inc. files the following Statement of Nutritional Support for the Dietary Supplement marketed as

1. Distributor name/address
Rejuvenation Science
811 N. Catalina Ave., Suite 3208
Redondo Beach, CA 90277

2. Text of nutritional support statement:

- "Helps Build & Maintain Cartilage*

Rejuvenation Science™ Advanced Cartilage Support contains Glucosamine, MSM, Sea Cucumber, and Hydrolyzed Cartilage to nutritionally support the building and repair of cartilage.* Based on clinical experience and the largest human research study performed using Cetyl Myristoleate, this formula is designed to be used in conjunction with Rejuvenation Science Advanced Joint Support CM Plus™ as part of a joint care protocol.*

Glucosamine, an amino sugar, is an essential structural component of glycosaminoglycans, large linear molecules that help to nourish cartilage and connective tissue. MSM (Methyl Sulfonyl Methane), a natural form of organic sulfur, provides some of the building blocks of collagen, an important component of healthy joints and connective tissue. Sea Cucumber is a naturally rich source of Chondroitin.*"

3. Name of Dietary Ingredient(s): Glucosamine, Sea Cucumber, Hydrolyzed Bovine Cartilage, MSM

4. Brand Name: Advanced Cartilage Support

5. The statement is accompanied by the required disclaimer. I certify that the information contained in this notice is complete and accurate, and that the notifying firm has substantiation that the statement is truthful and not misleading.

Yours truly,

Howard Simon, President
